

John & Andy

Hello There! Thank you **SO** much for considering us! We hope this letter gives you insight into our lives and how excited we are to become parents through adoption. We truly respect and honor your **courage** as you embark on your adoption plan, and we are open to one that works for **YOU!**

ABOUT US

We met online and knew we had something **SPECIAL**. John proposed (in Spanish...on top of a mountain!) outside of Barcelona and we married shortly thereafter.

We strive to make whatever we're doing an **ADVENTURE**, whether we're snorkeling in the Great Barrier Reef, acting as a jungle gym for our nieces, or playing board games with friends.

We can't wait to raise a child with the same unconditional **LOVE** we have for each other.

Meet OUR FAMILY

We are both extremely close with our families and most live just minutes away from our suburban Minneapolis home! The family is ecstatic for a new addition, especially our nieces!

Our Promise to YOU

If you choose to place your child with us, we promise to: love them unconditionally, open their world to new experiences, encourage them to pursue their dreams, and make them laugh and smile everyday. Again, we are open to an adoption plan that works for **YOU**! We humbly thank you for your consideration and would love to hear from you!

With Love, *John & Andy*
